# AI-Powered Meeting Assistant

Our standalone AI-enabled meeting assistant helps you record, transcribe, and summarize meetings – all without an internet connection. Designed for privacy-focused organizations, it ensures secure, on-device processing with advanced speech recognition and NLP.

## Key Features:

-  **On-Premise Speech-to-Text (ASR)** – Convert meeting audio into accurate text using state-of-the-art AI models like Whisper.
-  **Speaker Diarization** – Identify and differentiate who spoke when, making transcripts more structured.
-  **AI-Powered Meeting Summaries** – Automatically generate concise minutes, action items, and key discussion points.
-  **Secure & Private** – All data is stored locally with AES-256 encryption, ensuring full confidentiality.
-  **User-Friendly Desktop App** – A simple, intuitive interface for managing recordings, transcripts, and summaries.

No cloud. No internet required. Just powerful AI on your laptop.

其實過去幾天就是區議會投票日 市民都非常關心究竟那天選舉能不能夠如期公平公正地去進行 所以我是動議16匪二優惠代續議案 操持是這樣

00:01:00 - 00:01:32

本會現職優惠代續以就下述事項進行辯論 近日社會暴力示威活動持續 而區議會選舉將於數天後 舉行。

00:01:32 - 00:01:53

政府對確保選舉能夠公平及公正地進行, 和選民能夠在不受阻礙及威嚇下投票而採取的即時應對措施。

00:01:53 - 00:02:27

我用少少時間去解釋我今次的議案 現在其實社會的氣氛極度不穩定 而暴力衝擊事件也都還沒有平息 也沒有平息的跡象 自10月區議會

### Outline

The Council of the Whole Committee considered the Criminal Procedure Amendment Bill 2023, with members debating clauses 1 to 10 and the schedule. The Secretary for Justice proposed an amendment to clause 5, which involved removing and substituting sections 109 and 115 under section 81. It aimed to clarify the service of documents for appeals, referencing section 115 of the Magistrate's Ordinance. The amendment was supported by the government and the Hong Kong Bar Association. The committee voted in favor of the amendment, and the bill was passed with amendments. The proceedings concluded with the adoption of the property report.

With the aid of a PowerPoint presentation (see Annex), the Assistant Project Manager reported the status of the milestones. The Meeting noted that as the start of installation was postponed from 20.1.2025 to 23.1.2025, the targeted completion of system deployment would be moved from 4.2.2025 to 7.2.2025. The subsequent activities would remain unchanged.

[REDACTED] said that the finalised document would be provided to the third-party consultant accordingly and the third-party consultant would conduct server scanning and penetration testing after the completion of the system deployment. The Meeting noted that [REDACTED] would be treated as a black box for scanning without source code.

Members agreed that the weekly meeting schedule would remain in February 2025 so as to closely monitor the progress.
