Sample of Operation Process Optimization

The screenshot shows a document viewer interface with a toolbar at the top including a zoom slider and a page number '1'. The document content features a table with multiple rows and columns, some of which contain text and others are empty. A barcode is visible at the top right of the document. The bottom of the page has a footer with the text 'by the instrument' and 'Address: (if available)'.

Case Data Query

The screenshot shows a chat interface titled "Photo Query". It features a header with a logo, the title, and buttons for "Copy Chat" and "Clear Chat". The chat history consists of three system messages and three user messages. Each system message contains two references to "FUNG TAI HOUSE" and is followed by a "2 References" button. Each user message is followed by a "1 References" button. The user messages are: "搵晒2024年7月24號的相", "Find all the pic on 豐泰樓", and "Find all the pic on 豐泰樓". At the bottom, there is a search bar with the text "Type your message here..." and a "Send" button.

Query your data in natural languages and display in various presentations.

The screenshot shows a search result overlay titled "The answer references 2 pieces of shard data". It contains a table with the following information:

ASD SEBI Photos	
Source File	TC_08734
File Slice Content	豐泰樓 FUNG TAI HOUSE F18+1580 下900东面 25 Jun 2024

Below the table is a photo of a construction site. The overlay also includes a "1 References" button and a "User" label at the bottom.
