Climbing Global Communication's Walls

Language barriers may soon become a concept of the past as [InnAIO](#) launches its magnetic, portable AI translator meant to overcome the difficulties of global communication. This device, which attaches to any smartphone model, promises lightning-fast translations across 150+ languages with a remarkable 1.3-second response time.

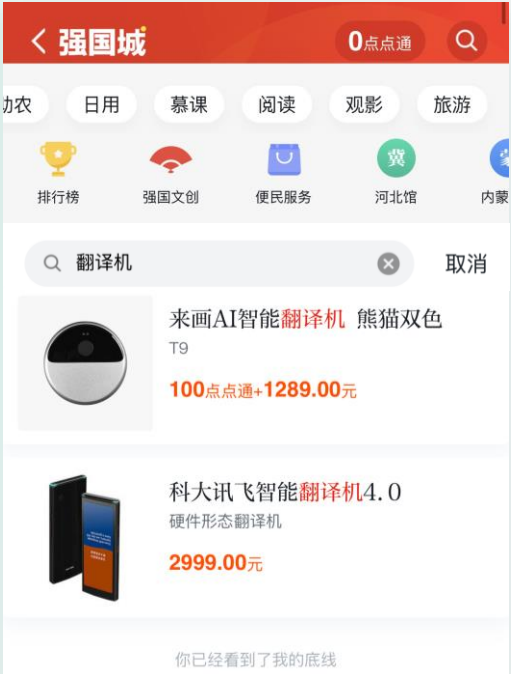

National, Provincial and Municipal Leaders, and 100+ Embassies Abroad Use InnAIO

Li Shulei, head of the Publicity Department of the CPC Central Committee, and Huang Kunming, secretary of the CPC Guangdong Provincial Committee, visited the booth of LAiPIC.

- Ordered 25 InnAIO translators on the spot, and the coverage rate of government translators is second only to iFLYTEK •
