Alluvia.ai

Visual & Icon AI Creative Assistant with Branding Memory
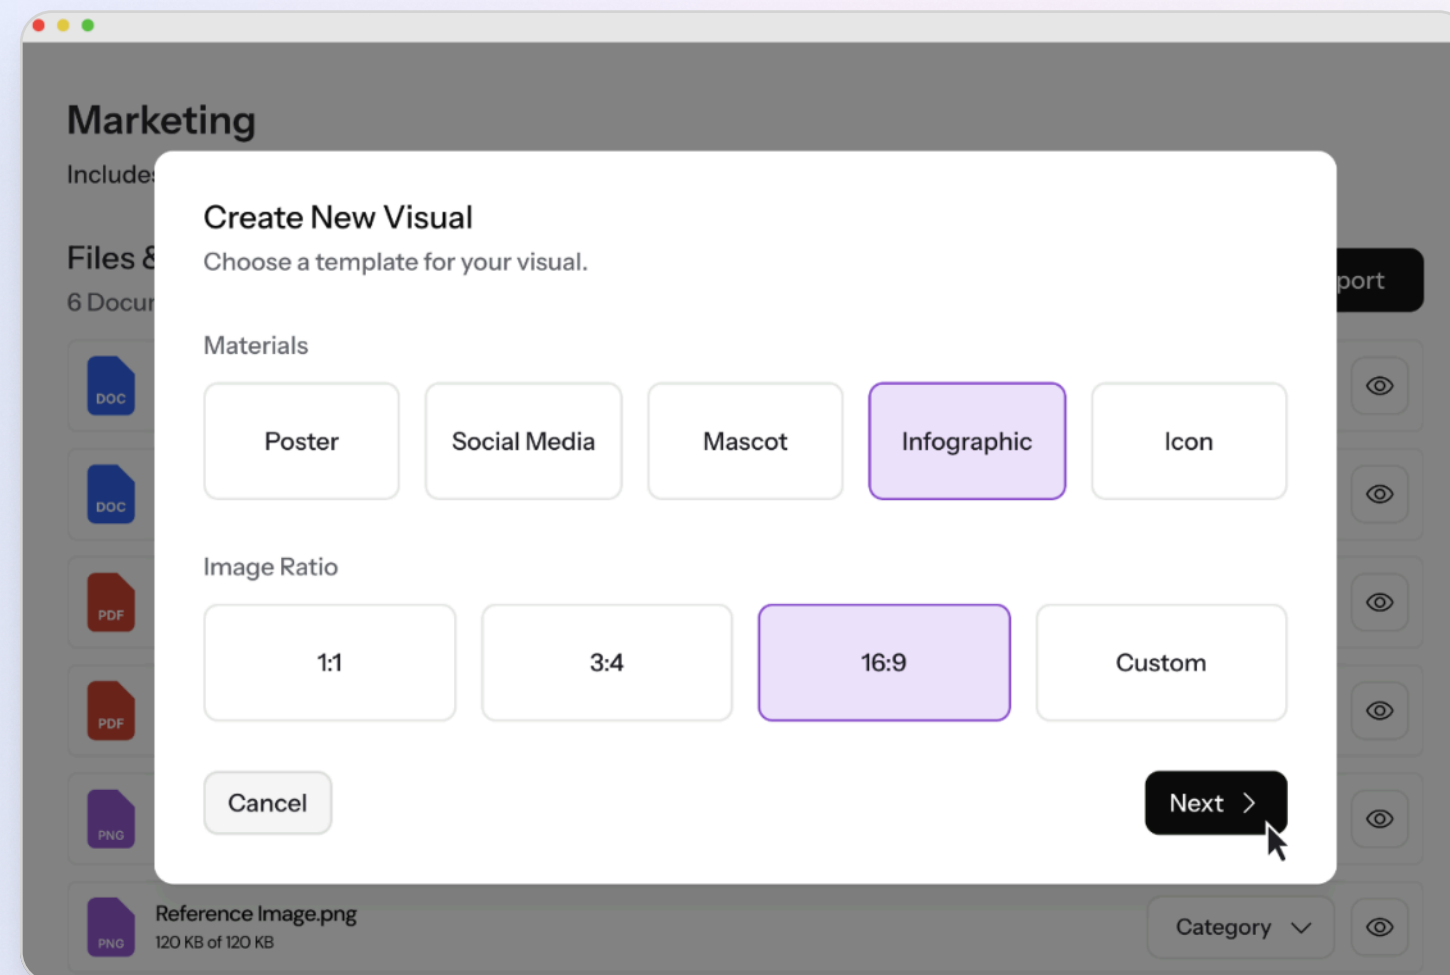

Your AI Knowledge Agent that Makes Your Life Easier.

Introduction: What is Visual & Icon AI Creative Assistant with Branding Memory?
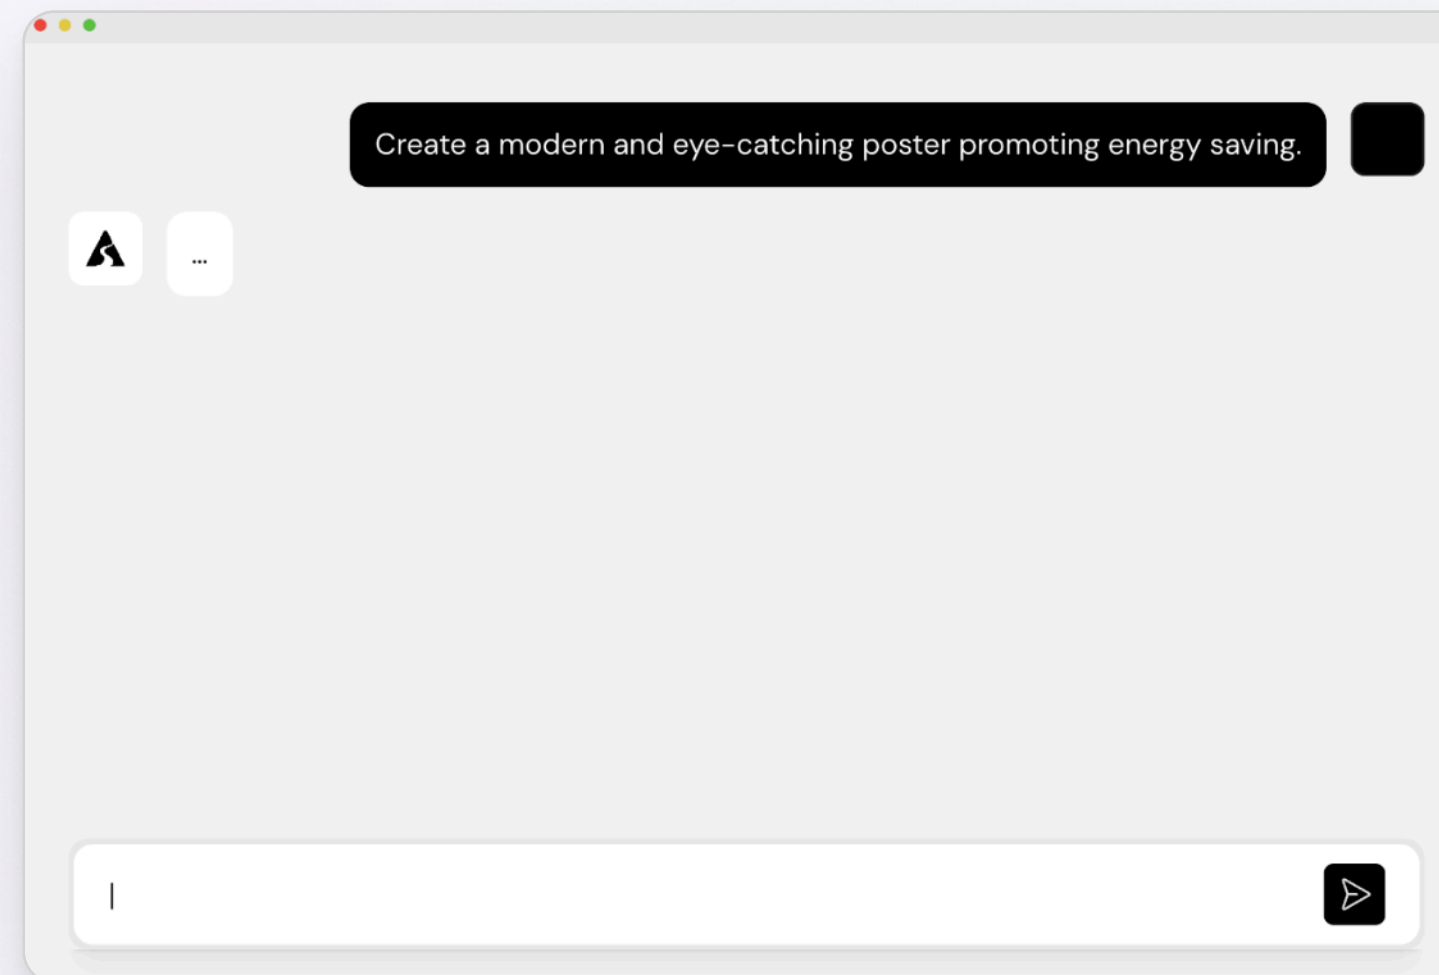

- **AI-powered generation of posters, social media graphics, mascots, infographics, and icons** based on user intent
- Supports **real-time design refinement tools** and preview instantly
- **Branding memory**: User can upload branding guidelines and past materials so let Alluvia to follow your style, color theme, and tone
- **Streamlines the creative process from concept to completion**, enabling rapid, on-brand campaign deployment
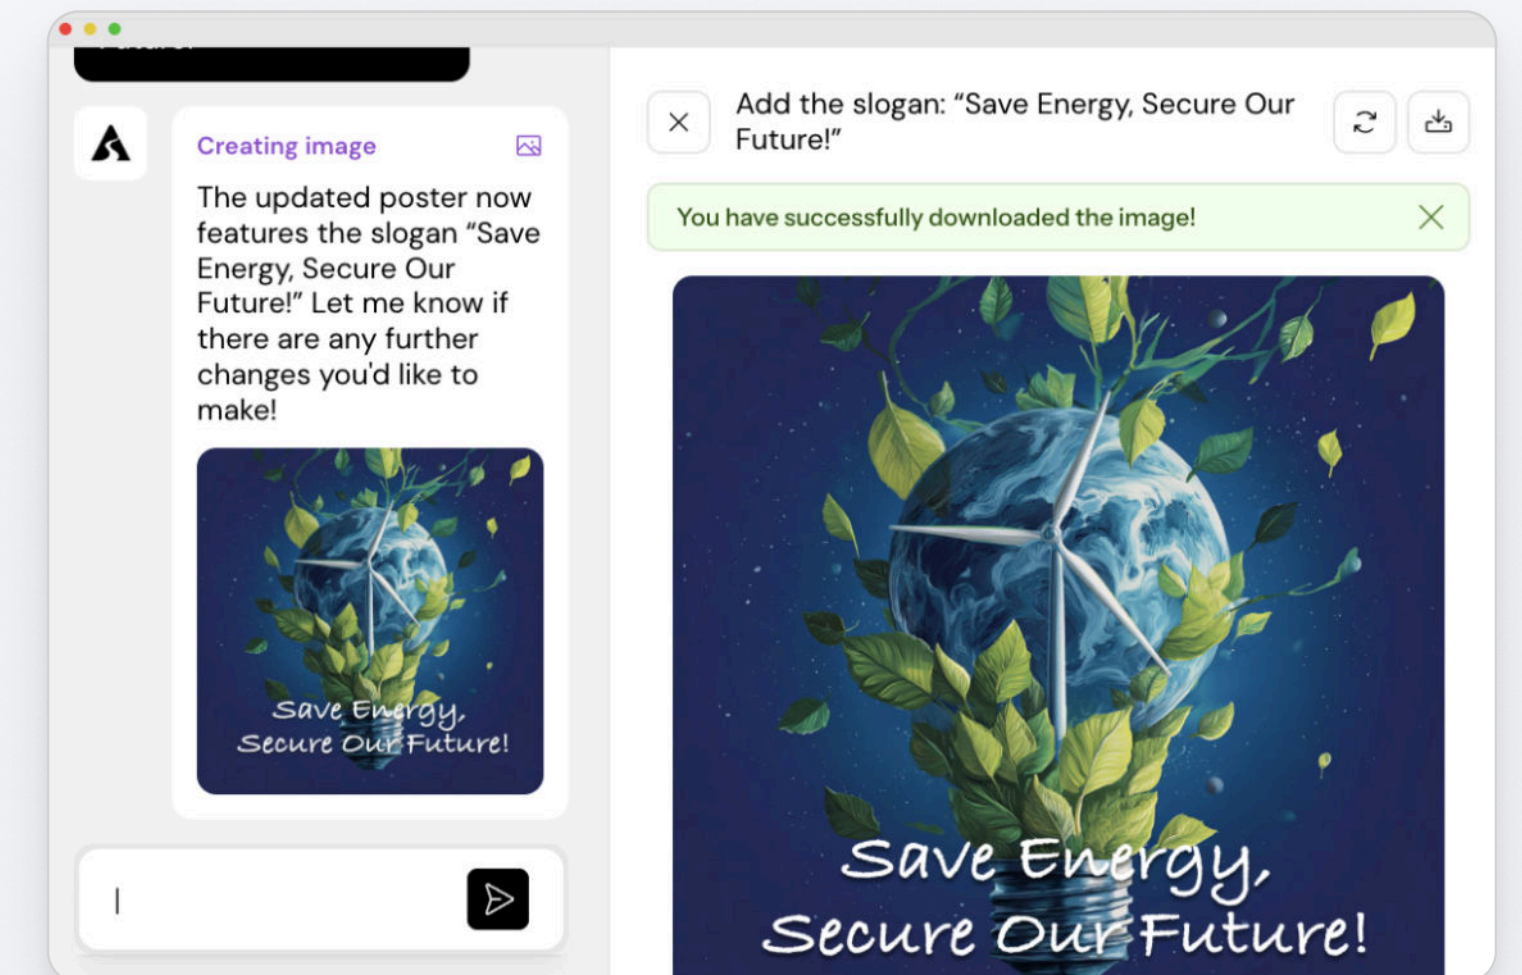

Key Features: How it Works?

Step 1: Choose & Upload

- Upload branding guidelines and previous campaign materials for reference
- Select the type of material (Poster, Social Media, Mascot, Infographic) and image ratio (1:1, 3:4, 16:9)

Step 2: Describe & Generate

- Enter your key message or campaign theme
- Instantly receive curated design options tailored to your needs and branding

Step 3: Refine & Download

- Refine designs in real-time—add slogans, adjust layouts, or request icon generation
- Preview and download finished images and icons for immediate use

Alluvia.ai

Benefits: Why Choose Us?

Ensures Consistent Branding

- AI remembers and applies your guidelines and past campaign styles for every new design

Accelerates Creative Work

- No blank pages—choose from curated options and generate materials in minutes

Empowers Non–Designers

- Anyone can create professional visuals and icons without graphic design skills

Reduces Approval Bottlenecks

- Real-time previews and on-brand outputs help teams get faster internal sign-off and speed up campaign launches
